

South Bon View Park

South Bon View Park will be located one block north of Philadelphia Street. This park facility will be a joint venture with General Electric. The park is currently in the planning stages and will be constructed in two phases. The first phase will include the parking lot, turf area, picnic area, restroom and decomposed granite walk. The ball park will be constructed as funding becomes available. Completion of the park is scheduled for late spring or early summer in 2010.
